Memo no D. 2562 & 21.5.09 from the Revenue Commissioner at Mysore forwarding copy of his Offl. memo no D. 2561 & 19/21.5.09 allotting Rs 25 to the Hassan DC for meeting the cost of unloading and stacking hay.

The total allotments made out of the funds sanctioned for supply of fodder are as follows:-

	Rs
Amount sanctioned by Govt	10,000
Amount allotted to Mysore DC	2,000
- - do - to Hassan DC	25.

It is seen from the Rev Comm's memo that the Conservator thinks that the cost of unloading and stacking hay should be met from the funds placed at the Rev Comm's ~~his~~ disposal. It is not clear why the Conservator should not have allotted funds for the purpose out of the amount of Rs 36,000 placed at his disposal. Probably that amount has been reserved for "cutting, pressing transporting hay" and for the purchase of hay pressing machines. The reference may

Subject:-

Correspondence ending with letter No.1265/D. dated 15th May 1909 from the Deputy Commissioner of the Hassan District reporting that the Conservator of Forests states that this office should be addressed for provision for meeting the cost of unloading and stacking hay and that an expenditure of Rs.2-4-0 has been incurred for the purpose by the Amildar of the Arsikere Taluk and requesting that a sum of Rs.200/- may be allotted for the present to enable him to meet such charges.

The Conservator's letter No.C.251 dated 26th April 1909 (to the Deputy Commissioner) shows that there cannot be a very large demand for hay in the District, and the recent showers all over the State should have improved the situation. Under these circumstances an allotment of Rs.25/- is sanctioned for the present for this District out of the grant of Rs.10,000/- sanctioned for the supply of fodder in Government Proceedings No.R.3299-308/Agri.69-08-5 dated 25th November 1908.
